R..: From the Collector of South Kanara.C. .A.S.5625/50 d/14-3-50.

The Secretary of the Mahatma Gandhi Memorial College trust Udipi applies for a permit to quarry laterite stones from s.numbers 403/19 to 21 and 29 to 31 of Shivalli village, Udipi taluk for constructing a college building in the said plots. These plots along with others were alienated in favour of the said trust as site for College buildings in G.O. . .2 Revenue, date 31-1-1950. Condition 1 of the grant prohibits the trust from using the land for any purpose other than that specified in it, . To use the lands as a laterite quarry will therefore infringe the above condition. Suggestion has been made in the Mining Manual, regarding alienated lands, it is presumed that such lands fall under note 2(b) (i) to rule (5) chapter VI of the Mining Manual as amended by G.O. no.64 d/11-10-41 so far as quarrying is ~~this case~~ concerned. Though the stones intended to be quarried in this case by a private organisation are for bonafide public purpose there does not appear any provision or the grant of a free permit in such cases in the above note. I therefore request orders whether the concessions of free quarrying allowed to the local boards and municipalities or contractors in their employ under the above rule can be made applicable to this case also as the stones proposed to be quarried are intended to be used for the proposed college building. If this concession cannot be extended to the present case, I submit that sanction may be accorded to the grant of a permit to the petitioners to quarry the required number of stones from the above mentioned plots on payment of seigniorage fee.

Board requests that the Government may be pleased to relax note 4(b)(2) to Rule (5) of Chapter VI of the Madras Mining Manual, as amended by G.O.64 d/11-1-41., and exempt the Trust from the payment of the seigniorage fee; as the quarrying of stones in this case is for a bonafide public purpose.

Sir,

Sub:- Permission to quarry stone for our College Buildings on the site at Sagrigudde alienated to our Trust by the Government

n.n

I have the honour to apply for permission to quarry building stones for the purpose of constructing the college buildings on site at Sagrigudde, Shivalli Village which we have requested the Government to alienate to us.

The plot from which the stones will be quarried will be covered by survey numbers 405 to 406 or any other number that is suitable.

I request that permission be granted at an early date.

Thanking you,

Yours faithfully,

Respected Sir,

ಕಳೆದ ಇಪ್ಪತ್ತೆರಡು ವರ್ಷಗಳಿಂದ
ಇದನ್ನು ಅನುಭವಿಸುತ್ತಿದ್ದೇನೆ. ಹಾಗಾಗಿ ಇದರ
ಇನ್ನು 23 ಎಕರೆಗಳಷ್ಟಿದೆ. ಭತ್ತದ ಬೆಳೆಯಲ್ಲಿ
ಮೊದಲು ಇದರ ಸಮೀಪ ಕೆಲವು ಗದ್ದೆಗಳಿಗೆ
ಮಾತ್ರ ನೀರು ಸಿಗುತ್ತಿತ್ತು. ಆದರೆ ಈಗ ಇದರ
ಸುತ್ತಲೂ ಇರುವ ಗದ್ದೆಗಳಿಗೆ ನೀರು ಸಿಗುತ್ತಿದೆ.
ಆದ್ದರಿಂದ ಈ ಗದ್ದೆಯಲ್ಲಿ ಬೆಳೆ ಬೆಳೆಯಲು
ಸಾಧ್ಯವಾಗಿದೆ.

2. The Secretary of the "Mahatma Gandhi Memorial College Trust" Udipi applies for permission to quarry building stones for the purpose of constructing the College buildings at Saligrama in Shivalli village from S. Nos. 403/19 to 21, and 29 to 31 of the same village. These plots along with other were alienated in favour of the Trust in B. P. Mis. 152 dated 8.2.50 communicated with Collector's R. Dis. 17501-49 dated 19.2.1950. I have seen these plots and there is no objection to permit quarrying in the plots referred to above. As the stones are intended for the construction of an Educational institution, permission may be granted to quarry the stones free of seigniorage value of the stones. The trust intends quarrying at present about 50,000 stones. This benefit does not go to the Contractor of the buildings. If there is not possible [illegible] to the institution [illegible] allowed to procure the quarrying [illegible] collection of acreage fee to be [illegible] 1.0 acres

2. In G.O.Ms.269 Revenue dated 31.1.50 the Govt. sanctioned the alienation of lands covering an extent of 32.55 acres in S.Nos of Shivali village, South Kanara District in favour of the Secretary, Mahatma Gandhi Memorial College Trust, Udipi. The conditions governing the alienation have been detailed at pp.9-12 of G.O.Ms.269 Rev. dated 31.1.50. The Secretary of the Trust has now applied for permission to quarry stones in S.Nos.403/19 to 21 and 29 to 31 of Shivali village. The Collector of South Kanara has reported that quarrying of stones in the alienated lands now applied for amounts to infringment of the condition 1 of the grant of alienation and has enquired of the Board of Revenue whether the concession of free quarrying allowed to Local Boards and Municipal contractors can be made applicable to this case also and has requested that if the concession cannot be extended to this case, permission may be granted to the Secretary to quarry free of charge the required number of stones from the above mentioned plots. The Board of Revenue has endorsed the request of the Secretary and recommended that Note 4(b) (2) to Rule (5) of Ch.VI of the Mining Manual may be relaxed and the Trust exempted from the payment of seigniorage fee, as the stones are required for bona fide public purpose.

The request of the Secretary to quarry stones in the S.Nos.of 403/19 to 21 and 29-31 of Shivali village, whether on payment of seigniorage fee or free of charge, will constitute first the violation of one of the conditions subject to which certain lands have been alienated for a public

purpose of using them as sites for college building, boarding house, teachers quarters and play ground. Please see condition 1 at p.9 of G.O.Ms.269 Rev. dated 31.1.50. So far as the question of quarrying stones is concerned, this Department may agree to the quarrying being done free of charge and thus exempt the Trust from paying the seigniorage fee as the stones are required for constructing the college. Revenue may see for remarks, as regards the use of the lands covered by S.Nos.403/19-21 and 29-31 proposed to be put to by the Secretary of the Trust.

2. Quarrying of stones in S. Nos 403/19 to 21 and 29 to 31 of Shivalli village, Udipi taluk, S. There is however no objection to permitting the Secy of the Trust to quarry stones from those S. Nos, as the stones are required for the construction of the college building, a bona-fide further purpose for which the lands have been alienated.

DEVELOPMENT DEPARTMENT

Issued as Memo.No.34042-J/50-5, dated 24-7-50.

From the Board of Rev., Ref.L. 1824/50-4, dated 14-11-50.

To A.S.

This file relates to the question of exempting the Mahatma Gandhi Memorial College Trust, Shivali, Udipi Taluk, S. Kanara Dt., from the payment of seigniorage for quarrying stones on certain lands alienated to the Trust.

2. In G.O.Ms.269 Revenue dated 31-1-50 the Govt. sanctioned the alienation of lands covering an extent of 32.55 acres in Shivali village, South Kanara District in favour of the Secretary, Mahatma Gandhi Memorial College Trust, Udipi. The conditions governing the alienation have been detailed at pp.9-12 of G.O.Ms.269 Rev., dated 31-1-50. The Secretary of the Trust has applied for permission to quarry stones in S.Nos.403/19 to 21 and 29 to 31 of Shivali village. The Collr. of South Kanara has reported that quarrying of stones in the alienated lands now applied for amounts to infringment of the condition 1 of the grant of alienation and has enquired of the Board of Revenue whether the concession of free quarrying allowed to Local Boards and Municipal contractors can be made applicable to this case also and has requested that if the concession cannot be extended to this case, permission may be granted to the Secretary to quarry free of charge the required number of stones from the above mentioned plots. The Board of Revenue has endorsed the request of the Secretary and recommend-ed that Note 4(b) (2) to Rule (5) of Chapter VI of the Mining

Manual may be relaxed and the Trust exempted from the payment of seigniorage fee, as the stones are required for bona fide public purpose.

3. The request of the Secretary of the Trust for quarrying stones in the lands in question whether on payment of seigniorage or free of the charge will be in violation of the conditions of alienation. However, the Rev., Dept. have no objection to permitting the Trust to quarry stones in the S.Nos in question as the stones are required for the construction of a College building, a bona fide public purpose.

4. The Finance Dept. who were consulted required information on the following points:-

(1) whether any building grant was payable to the Trust, and

(2) what the amount of seigniorage fee would be which the Trust will be exempted from paying and whether the Trust is not in a position to pay the fee.

With reference to point (I) above, the Education Dept. have stated that no application for grant has been received from the Trust. Education may be requested to confirm that an application for grant has not since been received.

As regards the second point, the Collector of South Kanara has reported that the total amount of seigniorage fee involved will come to Rs.625/-. He has further stated that in view of the large expenditure involved in the construction of the building, purchase of furniture etc. and the fact that the Trust has to raise contributions, it may be exempted from paying the seigniorage fee. The Bd. of Rev., has supported the recommendation of the Collector.

It is for orders whether the Bd's recommendation will be accepted.

Education and Finance may be for remarks.

Education (F)

This Department last noted on p.4 ante. The file has now been sent to this Department with reference to the portion marked 'M' on p.6 ante. In view of the urgent necessity for the construction of permanent buildings for the Mahatma Gandhi Memorial College, the management of the College has since been permitted to begin the work relating to the foundation of a certain portion of the college buildings. The scheme relating to the construction of permanent buildings for the College has been included in the list of approved building works at an estimated cost of about Rs. 3 lakhs and the college will be eligible for a grant not exceeding one half of the estimated cost, subject to a maximum of Rs.50,000/-, if and when funds become available and provided the conditions of the Grant-in-Aid Code are duly complied with. It has also been ordered in circulation that the management of the college should be permitted to execute the work building operations itself, without inviting tenders as required under the rules, ~~and also to begin the work relating to the Science Block urgently~~. ~~With these remarks the file may be passed on to Finance.~~ The grant for the work will become normally payable in 1952-53, after being considered as a part II scheme, on the recommendation of the DPI, unless it is ordered to be treated as a very urgent scheme to be introduced during the current year. With these remarks, the file may be passed on to Fin.

[Previous Finance notes on p. 3 alone]

With reference to the points raised in the previous notes of the deputy on p. 3 alone, attention is invited to the Collector's letter on p. 32 c.F. and the Board's recommendation on p. 31 c.F. and the notes of Edn on p. 7 alone. In the circumstances stated, Finance may agree to the proposal to exempt the Trust from payment of Seigniorage fee as the stones are required for the construction of the college buildings, a bona fide purpose for which the lands have been alienated. (The loss involved in the proposal is reported to be Rs. 625/-).

permission to quarry stones in S.No.s405/19 to 21 and 29 to 3 of Shivali village. The Collr. of South Kanara has reported that quarrying of stones in the alienated lands was applied for amounts of infrigment of condition I of the grant of alienation and has enquired of the Board of Revenue whether the concession of free quarrying allowed to Local Boards and Municipal contractors can be made applicable to this case also and has requested that if the concession cannot be extended to this case, permission may be granted to the Secretary to quarry free of charge the required number of stones from the above mentioned plots. The Bd. of Rev., has endorsed the request of the Secretary and recommended that Note 4(b) (2) to Rule (5) of Chapter VI of the Mining Manual may be relaxed and the Trust exempted from the payment of seigniorage fee, as the stones are required for a bona fide public purpose.

3. The total amount of seigniorage fee involved is only Rs.625/- The request of the Secretary of the Trust for quarrying stones in the lands in qeustion whether on payment of seigniorage or free of the charge will be in violation of the conditions of alienation. However, the Rev., Dept. have no objection to permitting the Trust to quarry stones in the S.Nos. in question as the stones are required for the construction of a College building, a bona fide public purpose. The Education Dept. have stated that the Trust is eligible to a half-grant for the construction of the College building and that the question of sanctioning the grant will be considered as a Part II Scheme for 1952-53, unless it is treated as an urgent scheme. They have therefore supported the Bd's recommendation for exempting the Trust from the payment of seigniorage fee. The Fin.Dept. also have agreed to the exemption being granted.

It is for orders whether the Bd's recommendation will be accepted and the Mahatma Gandhi Memorial College Trusts, Shivili, may permitted to quarry stones in the plot without payment of seigniorage fee. Subject to orders a draft order is submitted for approval.
